Database admin and sys admin tasks

Learnt in the job :Oracle database and Linux

Entrepreneurship

2013 - Now **Co-Founder**, LEPETITFABLABDEPARIS.FR, Paris 11ème.

Le Petit FabLab de Paris is a mix between tech shop , hackerspace and teaching facility. It breeds innovation and boost people skills in coding or design to name a few. From a few volunteers members, we grew to have a staff of a dozen people who run the lab on the weekend.

Things learnt (to name a few): Entrepreneurship, pitch, crowdfunding, , Adaptability , Training in Python

2014 - Présent Founder, Paris and Poitiers Beginners coders, Paris et Poitiers.

I created Paris Beginners Coders at the end of 2014, to learn Python with other peoples and then I created Poitiers Beginners Coders to know better Poitiers when I was living there. I grew the memberships to close to 600 for Paris. And the Paris chapter spawned the Rookie club

Things learnt: Entrepreneurship, Public speaking, Python, Raspberry

Self-taught projects or training done and given on Python, on my spare time, since 2013

Ssh server on python (Work in progress) - Click on the link to access the project on GitHub

My answers and questions on Python on StackOverflow - Click on the link to access my Q and A on StackOverflow

My training for layman on Python at le petit Fab Lab de Paris - Click on the link

I was part of the training team on Geek girl carrots (ex Django Carrots) on Python in 2015 - Click on the link to access Geek girl carrots

- 2013 Associate degree in Statistics (DUT STID), PARIS DESCARTES, Paris.
- 2010 **PRINCE2**, London, PRINCE2 foundation part. (PRINCE2 is a methodology in project management)
- 2004 Bachelor in Computer Science(DEST), CNAM, Paris.

Languages

English: Bilingual French: Mother tongue

Cantonese: Mother tongue Spanish: Limited working proficiency

Technical skills

(Framework: Languages: Python Tools: Git , Docker , PyCharm , Vi-

> Ikaaro, Flask), SQL & sual Studio Code, Vim,

T-SQL , ZSH & Bash , LATEX, Wordpress

HTML , Powershell

DevOps using AWS: RDS(Postgres), Athena,

S3, Glue, CloudFormation

Databases: PostgresSQL, SQL Server, OS: Ubuntu, Debian , Windows

> Oracle, MySQL , MacOS

Reporting: Tableau software, SSRS re-Protocols: DNS. TCP/IP. SMTP. **SSHD**

ports , Crystal reports

Cloud: Digital Ocean, Amazon

Web Services (EC2,RDS),

Azure

People skills

Management and Team technical mentoring, remote work, multicultural work environment, project management SCRUM - Prince2 (project management methodologies)

Training Technical training from beginners's level to expert

Customers External as well as internal relationship

Divers

I finished my second Oxfam Trailwalker, 100 km in 28h19mn (non stop), in September 2019.

Part of the Scrum community, I'm co-hosting the meetup Scrum-Life, IRL meeting part of the YouTube channel of the same name.
